

Community Group Discussion Questions:

1. What are some lessons we can learn about the departure of Demas? How should we respond when we know someone who is wandering from the faith?

2. Mark is someone who struggled early in his faith but gradually overcame those weaknesses as his life unfolded. What are some lessons we can learn from his experience?

3. Often in trials, our tendency is to focus more on trying to get out of our circumstances rather than see God in the midst of them. In what ways did Paul see the Lord at work in the midst of his suffering?

4. In verse 20, it says Paul left his good friend Trophimus in Miletus sick. How does that reality coupled with Paul's imprisonment counter the health and wealth gospel?
