From the Pastor. . .

A pastor was on vacation with his family in northern California. A church in the area learned he was staying nearby and asked if he would fill in for their regular pastor who had become ill. The vacationing pastor agreed. So on the next day he preached a sermon at the church. His young son had accompanied him to the service. When the offering plate was passed, the guest speaker put in a 10 dollar bill. After the service, a deacon came to the preacher and told him that he was to have the offering for that Sunday. The man gave him the offering—a total of 21 dollars, which included the pastor's 10. The little boy, seeing the offering, said to his father: "Dad, if you had put more in, you would have gotten more out!"

We are just about ready to begin the fall season at Helmar. Our normal studies and activities will resume. In addition, we have some new things: Small group studies in homes for couples and singles; a a new women's study on Thursday mornings. Resuming will be Wednesday afternoon Senior Adult Studies; Men's studies on Wednesday and Saturday mornings; youth and children's ministries on Wednesday evenings; Women's Prayer resumes on Fridays beginning September 12. Of course, Sunday School for all ages beginning September 7. Worship services are still at 10 am. Please contact the church office for times and more details.

As you can see, there are many opportunities available to you---times for study, prayer, fellowship, here at Helmar. Please take advantage of these and commit to growing in your relationship with Jesus this fall. We have a wonderful fellowship at Helmar. Be sure to be a part of what the Lord is doing here.

It's true. We grow in our Christian life as we are willing to invest more in those things that challenge us and encourage us in the things of the Lord. For as the little boy said, "Dad, if you had put more in, you would have gotten more out!"

Serving the Lord together with you, Pastor Steve
