“The Bright Morning Star”
Revelation 22:14-17

In this last message in our series, Looking Up, we consider the Bright Morning Star. In a physical sense, the planet, Venus, has been called the morning star because it shines brightly in the sky just before the sun rises. But, in a spiritual sense, the Morning Star is Jesus. As the book of Revelation concludes we are pointed to Him and the beginning of a bright new day! As the new day approaches remember...

I. Prophecy is _____(Num. 24:17)

II. Salvation Has Been _____(Rev. 22:14)

III. Darkness Will Be _____(Rev. 22:15)

IV. An Invitation Will Continue to Be _____(Rev. 22:17)

There will be NO Children’s Church provided the whole month of July. Please enjoy service as a family.

The trustees have most of the windows that have been removed from the education wing in storage either in the shed or the parsonage garage. They are single pane glass and obviously due to their age do not have any "E" treatment. Anyone interested in using them for a project at home, please let one of the trustees know and we can arrange for you to come get them. After the next couple of weeks, if no one shows interest in them, they are going to disappear in the dumpster. There are also three sliding patio doors, double pane glass that were removed from the sound room and placed in the shed, no tracks, just the doors. They are also available to the first taker or they will be disposed of. Thank you, Trustees
