

Have We Forgotten?

As we approach 9/11, there are increasing numbers of videos that pop up of the twin towers, people running, clouds of smoke, the airplanes flying towards buildings to remind us. I still see bumper stickers on cars that say, "Never forget 9/11". If you are old enough, you remember that this was the largest scale attack on our nation (possibly any nation) outside of an actual war, ever. 19 Islamic terrorists propagated the horrendous event killing around 3,000 in the World Trade Center, the Pentagon, in a field in Pennsylvania and on board the planes that flew into the towers. In case you don't remember, as many seem not to, it was done in the name of allah. (I will not capitalize that name). Islam is not only a false religion, it is a violent, perverse religion completely rooted in satan. Everything about this religion has perverted Christianity. Our grandson fought in Afghanistan; we are in a conflict now with Iran. We have been trying to keep the battle away from our home front. In Islam, their god asks them to die for him. Our faith has a God who protects us and has died for us. What a contrast. In the Bible God has asked the man to protect women as the weaker vessel. In Islam, the man is a ruler over women. In Iran, Sharia law says a woman cannot go to school to become a doctor, but she is not allowed to be "seen" naked by a male doctor, so women were dying at great numbers. In Islam they have just lowered the age of a girl to marry to 9 yrs old. Please do not try to defend that to me!! They will kill their sisters and wives if someone rapes them, because now they are unclean and disgraced. Friends, this isn't political. This is spiritual warfare! In 2025 New York City, the largest city in the US, elected a muslim mayor. I have a hard time understanding how people do not know more about this cult. If they knew even the basics, no sane American would allow this in our country. Their faith cannot co-exist with our American Christian beliefs and what we have stood for all these years. Satan is the father of lies. He comes to kill, steal and

destroy. John 10:10 he thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full. Who are you following today?

Our world says we need to be tolerant and “loving” towards “all”. I suggest we examine “all”. God told Joshua and the Israelites to destroy all the people living in the land of Canaan, such as in the city of Jericho (Joshua 6:21). In 1 Sam 15:3 God also says to destroy the enemy and spare nothing. God doesn’t seem to be very tolerant at times. He isn’t. He isn’t tolerant towards sin. Towards evil. We see this insidious religion creeping into our country. I am not asking you to go to war with them, I am asking you to pray against them. God’s army is always fighting for us. I believe their power is “enhanced” by our prayer. We know that prayer works. Now is the time.

Lord, commander of the spiritual armies, protect us and our nation. Turn hearts toward you. Amen
