

Series: *Eternal Investments*

Text: *Psalm 90: 1-12*

Part 1

Pastor David Kim

1. Read Psalm 90:1-12.

- a) Who wrote Psalm 90?
- b) What is the context behind Moses' words here?

2. There are 86,400 seconds in a day. Why is time different than other topics we will be covering in this series (time, talents, treasure)?

3. When Moses gives us the words, "Teach us to number our days that we may get a heart of wisdom," it alludes to two things: 1) Making the most of each day, and 2) Making all of our days count for something.

- a) What is the difference between the two?
- b) Which is more difficult for you to think about and live out?

4. Why do you think it's so difficult to focus on things that matter for eternity?

5. Read Psalm 39:4-7 (NLT). The last six words David pens is a rhetorical question. "Where do I put my hope? My only hope is in you." If you were to write a six word memoir today, what six words would speak to the sum of your life to this point?

⁴ "LORD, remind me how brief my time on earth will be.
Remind me that my days are numbered—
how fleeting my life is.

⁵ You have made my life no longer than the width of my hand.
My entire lifetime is just a moment to you;
at best, each of us is but a breath."

⁶ We are merely moving shadows,
and all our busy rushing ends in nothing.
We heap up wealth,
not knowing who will spend it.

⁷ And so, Lord, ***where do I put my hope?***

6. What practical steps can you take to make the most of each day, and to make all of our days count for something? Think of one or two starting points you can implement in the coming week.
