

The True Bottom Line

Pastor David Kim

Icebreaker: Tell us about the best (or most memorable) boss, coworker, teacher, or classmate you've ever had. What made them stand out?

1. Before this message, how would you have answered "What is the bottom line of my work?" What does "blessed to be a blessing" change?
2. **(SEE THEM) Read John 17:18**
How does it change things to view your workplace or school as part of your calling rather than an interruption to it?
3. Which label are you most tempted to put on people: competition, transaction, expense, obstacle, or paycheck?
4. **(SERVE THEM) Read Philippians 2:14-15 & Matthew 5:16**
Where are you most tempted to grumble or gossip, and what would it look like to be "different" there?
5. What is one specific way you could make someone's day, work, or life a little better this week?
6. **(SPEAK TO THEM) Read 1 Peter 3:15**
Has anyone ever asked about your faith because of how you lived? What happened?
7. God calls us to be eyewitnesses, not expert witnesses. How does that change how you think about sharing your faith?

Application: Which prayer do you most need this week: help me **see** lovingly, **serve** intentionally, or **share** naturally?

Share the name of one coworker or classmate you want to see, serve, or speak to, and pray for them this week.
