

Series: Identity Pt. 2

Title: You Are a Soldier
Pastor David Kim

ICEBREAKER

1) Quickly review last week's message and the need to turn in our fake ID's. As we turn in our fake ID's, we can then start to embrace who God says we are.

2) **Read 2 Timothy 2:3-4 (NIV) together as a group.** What words or phrases stand out to you?

3) There are 3 benefits of embracing our identity as soldiers of Christ. Can you describe the three below and how it relates to living on mission with Christ?

- a) Fidelity
- b) Fortitude
- c) Focus

4) Which of the three do you struggle with in your faith journey? Do you have a difficult time being loyal to Jesus and following hard after Him? Do you have a difficult time tempering your expectations and being easily disappointed in life? Do you struggle with getting sidetracked and getting entangled with civilian affairs?

ACTION STEP

5) What can you do this week to start embracing your identity as a soldier of Christ? What is one step you can take, or one change you can make? Keep each other accountable throughout the week and on.
