

## SMALL GROUP QUESTIONS

Part 8: A Gospel Community

Pastor Stephen Han

- 1) How do you typically respond to change? Does it excite you or stress you out or a combination of both? Share an example from your life and how God used that situation to shape your life (if applicable).
- 2) Read Galatians 6:1-10.
  - a) According to this passage, a gospel community is one that is committed to: a) restoring one another, b) bearing one another's burdens, and c) sharing blessings with one another. Which one is the hardest to apply for you? Why?
  - b) Consider Paul's cautions about restoring a brother in sin. What could happen if you ignored these warning? • "in a spirit of gentleness" • "watch yourself"
  - c) How does bearing one another's burdens fulfill the law of Christ? (Galatians 5:14, John 13:34, 15:12-13) How does Jesus' example show you what it means for you to carry someone else's burdens?
  - d) In light of the law of the harvest, what seeds can we sow in order to reap a bountiful harvest that honors the Lord?
- 3) Why does doing good work together strengthen the Christian community?
- 4) What encourages you to keep on serving even when you feel like giving up? (6:9-10)
- 5) Who do you know that needs your help to carry their burden today? What kind of action will you take to carry their burden this week?
- 6) **PRAYER:** What burdens of your own do you need to share with others? Have your small group members bear one another's burdens by sharing a prayer request and praying together as a group.

### Christmas Festival (Dec 16 - SAT)

A great way to apply this week's message (Galatians 6) by sharing blessings with those around us. You can come out to serve as a group and/or drop off donation items to show Jesus' love for them.
