

GROWING INTO 2024

Guest Speaker: Johnny Baker

SMALL GROUP DISCUSSION GUIDE

1) In Sunday's message, Pastor Johnny Baker shared about **three things that will keep us from growing in 2024:**

- 1) Staying stuck in **yesterday** (Phil 3:13-14, 1 Cor 1:26-31)
- 2) Worrying about **tomorrow** (Phil 4:6-7, 1 Pet 5:7)
- 3) Not living in **today** (Exod 16:4-5, Exod 16:19-20, Matt 6:11)

What keeps you stuck in yesterday?

What are you worrying about for tomorrow?

What prevents you from living in today?

2) Take time to examine the bible references that were provided in the sermon. Share any insights or thoughts that come to mind.

3) Have you set goals or resolutions for the New Year?

4) If you are comfortable sharing, what is your area of growth for 2024?

5) What next steps do you need to take to start living one day at a time?
