Series: *Prophecy for a New Day*

Part 5 – A Wonder-Filled Regathering
Pastor Dustin Lang

- 1) Describe some personal thoughts and feelings as our region is reopening and NewStory is regathering.
- 2) Amongst these thoughts and feelings, we can experience a sense of wonder if we recognize what God has been doing throughout this pandemic. Zechariah teaches us that God is at work in the midst of our shortcomings. What are some of the ways that you’ve seen our world “fall short” in this past season? Have you personally “fallen short” in any way?
- 3) Zechariah 12:10 teaches us that God restores His people. Read the verse and then describe the ways in which God may have been repairing the broken parts of your life during this past season.
- 4) Read Zechariah 13:9. This verse teaches us that God refines us through fire. Have you gone through difficult situations in this past season? If so, how has God used these hardships to grow your character and faith?
- 5) There is a future day coming when all will recognize that God is king. Read Zechariah 14:9. What do you imagine this future to look like? How can you begin to prepare for that now?
- 6) Spend time praying for one another and all that was shared.

We can't wait to see many of you at our in-person worship next Sunday (Father's Day) either at 9 am or 11 am. If you didn't get to RSVP, do not worry. You can still join us for online worship which we will continue to offer.
