

SMALL GROUP QUESTIONS

Title: Seeing 2020

Pastor Richard Lee

- 1) What are some things you don't understand about 2020?
- 2) Have you ever had an experience where you suffered and didn't gain perspective on it until many years later or are still waiting? Share it with your group.
- 3) READ Luke 2:39-40. When Jesus was born, He was born into the world that was not expecting Him and definitely didn't notice Him. No one noticed that everything changed. In fact, people had to wait 30 years before Jesus began His earthly ministry to reveal Himself. God chooses to change everything, but He does it in such a way that no one notices. When we are faced with something that we don't understand, what should be our response? (cf. Romans 8:24-25).
- 4) Sometimes it's hard to not rush God. What is something you heard in the message that gives you comfort in waiting?
- 5) How will "looking to God" change the way we approach 2021?
- 6) What area of your life do you need to look to God? And not to rush him? Share and pray together.

SONGS OF ASCENT

DISCIPLESHIP IN A CHANGING WORLD

A NEWSTORY CHURCH SERIES

New Series starting next Sunday (Jan 17)

Buried deep near the center of Scripture, lies a treasure trove of fifteen spiritual songs (Psalms 120-134). Saints of old would sing these truths as they made their way to and through the Holy Land. This was an active discipline of reminding themselves of who God was and what he had done in the past. It was also a purposeful way of encouraging themselves of God's promises for the future. Centuries later it still rings true, all faith travelers need reminders of the past and promises for the future. Join us as we ascend closer to our King on high.
