SUNDAY RECAP

This past Sunday we were in Part 2 of our 3-week series, Entrusted: Faithfully Stewarding the Gifts of God. Before starting the discussion questions with your group, pray together and invite the Holy Spirit to be present with you.

OPTIONAL ICEBREAKER: Share a highlight from your week or something you are looking forward to in the final weeks of 2023.

DISCUSS

1. Read what the Apostle Paul says in 2 Corinthians 8:1-9 as a group. How does this impact you.
2. Consider again what comes into your mind when you think of God and what comes into your mind when you think about money. How do you think your answers to these questions are related?
3. Reflect back on Sunday's message and main idea and discuss as a group: Faithfully stewarding the gifts of God is rooted in relationship. Share other thoughts or insights from the message that stood out to you.
4. During this series, we're highlighting stories each week of people in our church family. This Sunday you heard from the Ybarra and/or Chester family, focusing on ministry to kids, students and their families. How did the stories shared on Sunday impact you?

Our 10-week fall session of groups ends this week! Our rhythm for small groups is designed to offer a break for our group members and leaders during the holiday season and regroup in late January. Discuss the plan for your group moving forward. We encourage you to keep in touch and serve together! We hope being part of this community has been fruitful for your spiritual health and building connections within our church family.

PRAYER TIME: Share requests and pray for one another, our entire church and community over the coming weeks during this series, and especially as we enter the holiday season.
