RECAP

This weekend we continued in our study of Jesus according to the Gospel of Luke. Tim Dakin shared a message focusing on a portion of chapter 4 where Jesus is tempted by Satan in the desert before beginning his ministry. Before starting the discussion questions with your group, pray together and invite the Holy Spirit to be present with you as you study through this passage.

ICEBREAKER: What is the most tempting treat/snack that is hard to resist?

READ THE PASSAGE TOGETHER: Luke 4:1-13

DISCUSS

1. In Tim's message, he highlighted to reality that we live in a world of competing stories. What are the temptations that threaten the story you're trying to live? How does the way of God's Kingdom compete with the way of the world?
2. Tim said *"our capacity to resist temptation flows from our relationship with God and the grace he delivers, rather than from our own strength and initiative."* How do you agree/disagree with this or how have you experienced this in your own life?
3. Share a Bible passage or story that has resonated with you. How does it tell about your experience with God? How does it remind you of who you are? How has it helped you navigate life?
4. If you have extra time, read the rest of chapter 4 together as a group. What parts of this chapter stand out to you and why? What do we learn about who Jesus is?

PRAYER TIME

Allow your group members to pray for you. Be willing to share prayer requests and pray together as a group.

As we study the Gospel of Luke, please be committed to read along with us through this book!
