SUNDAY RECAP

This weekend we continued in our study of Jesus according to the Gospel of Luke. Pastor Greg focused on a portion of Luke 21. Before starting the discussion questions with your group, pray together and invite the Holy Spirit to be present with you as you study through this passage.

ICEBREAKER: Share with the group about a favorite or special gift that you received OR share high and low point from your week.

READ THE PASSAGE TOGETHER: Luke 21:1-6 (If you have time, look over chapter 21 and share anything that jumps out at you.)

DISCUSS

1. After reading the passage, share something from the text that stands out to you.
2. Jesus' focus and the disciples focus are on two very different things. What are some things that can distract you from focusing on what Jesus focuses on in your life?
3. We often associate the word "worship" with music. But what does worshipful living actually look like? How can generosity be a form of worship?
4. The widow gave all of her money and trusted God to provide for her tomorrow. In what ways do you want to grow in your trust of God to provide for you? What are some ways you can practice that this week?
5. A big way to help you grow in your trust of God is to practice the act of remembering the faithfulness of God. Use this time to remember a time that God showed up for you in a big way and share that with the group. Make a commitment to remind each other of God's faithfulness when we tend to forget this in the face of fear.

PRAYER TIME: Share prayer requests and pray together as a group. As we study the Gospel of Luke, please be committed to read along with us through this book!
