SUNDAY RECAP

This past Sunday was week 7 of our series, ***Out of Egypt, a study of the first 15 chapters of Exodus***. Before starting the discussion questions with your group, pray together and invite the Holy Spirit to be present with you.

KEY PASSAGE: Exodus 5-6:9

DISCUSS

For this discussion, it will be very helpful that you have listened to the message ahead of time.

1. What do we learn about Pharaoh from this passage? What do we learn about God?
2. How has the enslavement to and suffering of God's people under Pharaoh impacted the Israelites? Are there any parallels to us today?
3. Discuss the following point from the message: "God's presence and our obedience does not guarantee instant results or the absence of hardships." How have you experienced this?
4. Re-read Exodus 6:1-8. When we face hardships God's reassures us with his character, his presence and his promises. What aspect of his character or promise has been a comfort or encouragement to you lately?
5. Where do you see connections to Jesus and the gospel in this part of the story? If you have time, share what you've been learning during this Lent season so far.

PRAYER TIME: Share requests and pray over one another.
