## SUNDAY RECAP

This past Sunday we continued our **Out of Egypt** series, a study of the first 15 chapters of Exodus. While this study will include the narrative passage of God leading his people out of slavery into freedom through Moses, we will also focus on how this points us to the gospel and Christ himself. Before starting the discussion questions with your group, pray together and invite the Holy Spirit to be present with you..

**KEY PASSAGE:** Exodus 3:1-4:17

## DISCUSS

**OPTIONAL ICEBREAKER:** Share one thing you are looking forward to this month.

Use QR Code to watch this video from the Bible Project on the theme of holiness ahead of time or with your group.

1. How does this expand your view and understanding of God's holiness and our call to participate in Jesus' kingdom
2. How does this passage and video line up with or confront our more modern idea of Jesus as our buddy/copilot/BFF?
3. What part of the conversation between God and Moses in this passage stands out to you and why?
4. How does this part of the Exodus narrative point us towards Jesus?
5. What areas have you sensed God's calling into service recently? Or have you felt the call of God and like Moses tried to say no?

**PRAYER TIME:** Share requests and pray over one another. Pray for our entire church family to learn, grow, and mature through this study over the next several weeks.
