## SUNDAY RECAP

This past Sunday was week 6 of our series, **Out of Egypt**. This marks the halfway point of our 12-week series studying the first 15 chapters of Exodus. Before starting the discussion questions with your group, pray together and invite the Holy Spirit to be present with you.

**KEY PASSAGE:** Exodus 4:18-31

## DISCUSS

**OPTIONAL ICEBREAKER:** Who would you rather have a conversation with and why: your younger self or your older self?

**For this discussion, it will be very helpful that you have listened to the message ahead of time.**

1. Begin by reading the passage together. What aspects of this passage are confusing or do you have difficulty understanding?
2. Where do we see this narrative pointing us to Jesus? What is our entry point to being part of God's family?
3. How does the circumcision part of the passage remind us of the reality of God's holiness? How has this shifted for us today?
4. Re-read verses 29-31. What led Israel to respond in worship? How do you respond to knowing that God is concerned about you and what you are going through?

**PRAYER TIME:** Share requests and pray over one another. Pray for our entire church family to learn, grow, and mature through this study over the next several weeks.
