BLUEPRINT OF HOPE

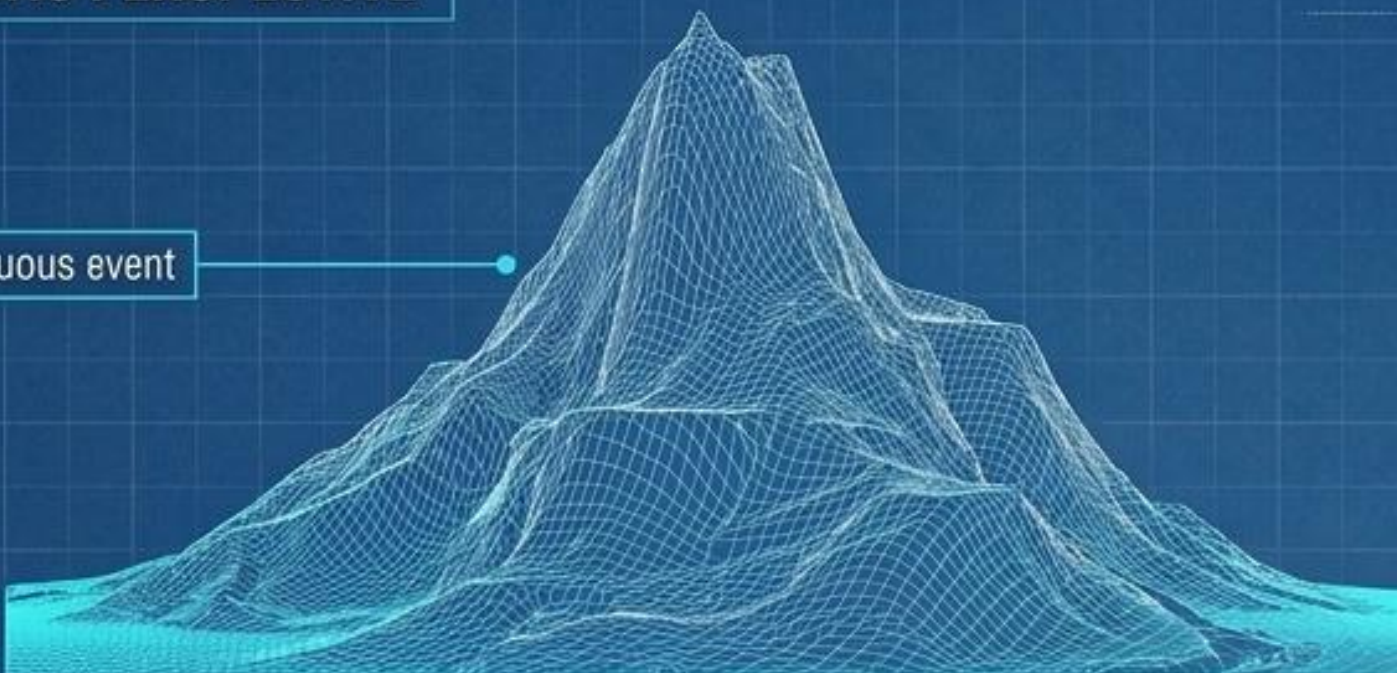

EVENTS OF THE SEVEN-YEAR TRIBULATION

PASTOR DANIEL BANGURA

THE PROPHETIC PERSPECTIVE

One continuous event

PROPHETIC FORESHORTENING: THE HIDDEN VALLEY

To ancient prophets, the sufferings and the glory of Christ appeared as a single, continuous event—two peaks stacked together.

They lacked the temporal depth perception to see the 2,000-year valley lying between them.

THE "COMMA" OF ISAIAH 61

Jesus stopped reading mid-sentence because the first half applied to the First Coming, while the second half belongs to the future Tribulation.

1 PETER 1:10-12

THE PHYSICAL PERSPECTIVE

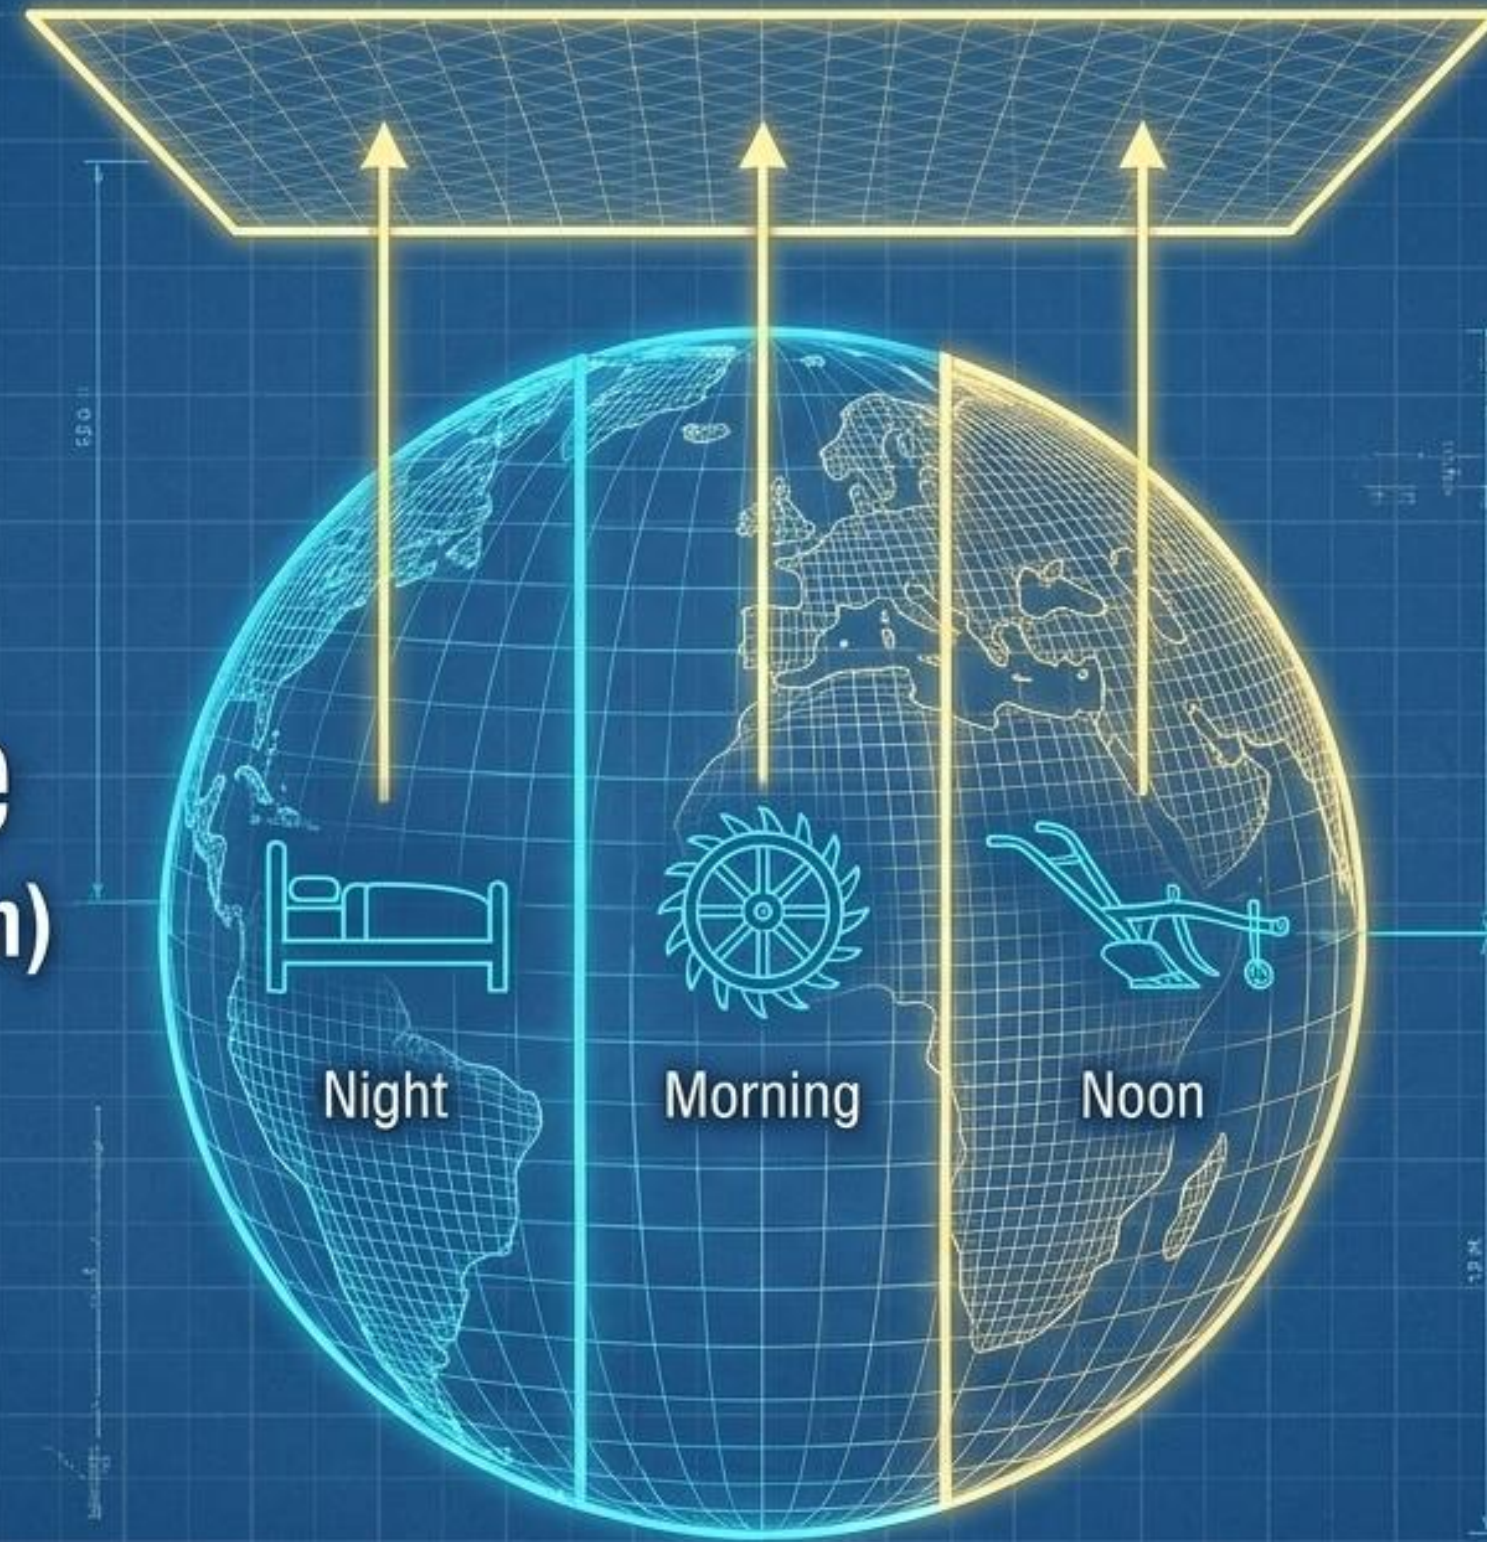

LUKE 19:42

THE AGE OF GRACE

ISAIAH 61:1-2; LUKE 4:18-20

Phase I: The Rapture (The Secret Extraction)

1. The Descent

Christ descends into the atmosphere (the air) but does not touch the earth.

2. The Resurrection

The 'Dead in Christ' are physically resurrected from the grave.

3. The Translation

The living saints are instantly transformed and caught up, bypassing death.

4. The Restrainer Removed

The sudden selective extraction leaves the world vulnerable to rapid moral decay.

1 Thessalonians 4:15-17; Luke 17:34-36

A Timeline Divided: The Seven-Year Split-Screen

The Bema Seat

The extracted Church undergoes an evaluation of stewardship.
(2 Corinthians 5:10)

The Marriage of the Lamb

Culminates in the joyous Marriage of the Lamb.
(Revelation 19:7-9)

Heavenly Sphere

Earthly Sphere

First 3.5 Years of Tribulation

A false peace, global government, and the rise of the Antichrist.
(Daniel 9:27; Revelation 6:1-8)

Second 3.5 Years of Great Tribulation

Unprecedented geopolitical upheaval, deception, and divine judgment.
(Jeremiah 30:7; Matthew 24:21; Revelation 13:5-7)

The Bema Seat & The Royal Wedding

The Olympic Podium, Not a Courtroom

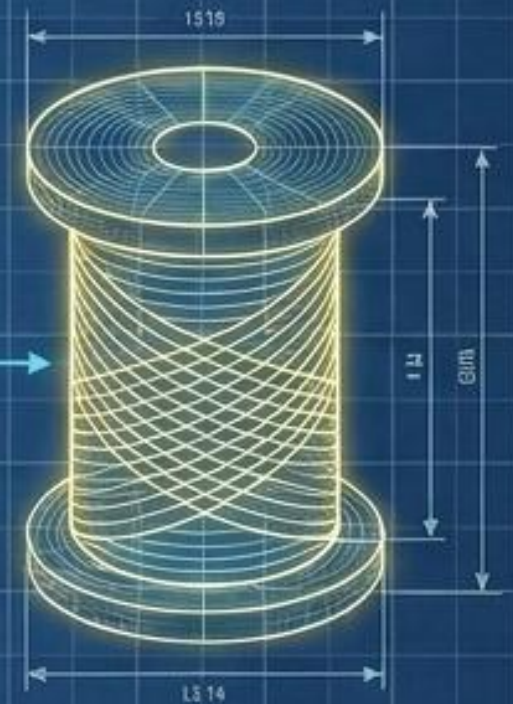

Believers are not on trial for salvation:
Believers are not on trial for salvation
(the debt was paid at the cross); earthly
works are evaluated for reward.

Tested by Fire:

Selfish works (Wood, Hay, Stubble) burn
away. Eternal works (Gold, Silver,
Precious Stones) survive the fire.

The Five Crowns

- The Incorruptible Crown (1 Cor 9:25)
- The Crown of Rejoicing (1 Thess 2:19)
- The Crown of Righteousness (2 Timothy 4:8)
- The Crown of Life (James 1:12; Rev 2:10)
- The Crown of Glory (1 Peter 5:4)

The Fine Linen:

Righteous acts that survive the
fire literally weave the garments
for the Marriage of the Lamb.

1 Corinthians 3:11-15; Revelation 19:7-9; 2 Timothy 4:8

The Rise of the Ten-Nation Federation

The Geopolitical Shift:

A new superpower emerges from the exact geographic footprint of the ancient Roman Empire.

The Charismatic Leader:

A central 'President' rises to form a Democratic Monarchy, eventually revealed as the Antichrist.

The False Covenant:

He consolidates global power by enforcing a 7-year peace treaty with the Jewish people, offering an illusion of ultimate stability.

Daniel 9:27; Revelation 17:12-13

The 3.5 Year Pivot: The Illusion Shatters

War in Heaven:

Satan is cast down to Earth, taking direct control of the geopolitical leader. Evil mimics the Divine structure to demand total global worship.

The Dragon
(Anti-God)

The Ultimate Betrayal:

The 7-year peace covenant is violently broken, triggering the final 3.5 years of unprecedented persecution known as the Great Tribulation.

The Beast
(Anti-Christ)

The False Prophet
(Anti-Spirit)

Revelation 12:7-9; Revelation 13:1-18; Revelation 16:13

The Title Deed: A Legal Reclamation Project

The Eviction Notice

Each broken seal serves as a methodical eviction of the usurper (Satan) and his followers, clearing the property for its rightful owner.

Authorized Repossession

The judgments (seals, trumpets, vials) are not random cosmic rage. They are a symmetrical, legal administrative process.

The Rightful Heir

In Roman law, only the true heir can break the seals of a title deed. Christ systematically breaks the seven seals of the Earth's deed.

Revelation 5:1-5; Revelation 6:1-17

Phase II: The Revelation (The Physical Touchdown)

The Geologic Impact: Christ's feet physically land on the Mount of Olives, literally splitting the geography in two.

The Sky Opens: Unlike the secret Rapture, this is a globally witnessed return. Christ descends on a white horse with the armies of Heaven.

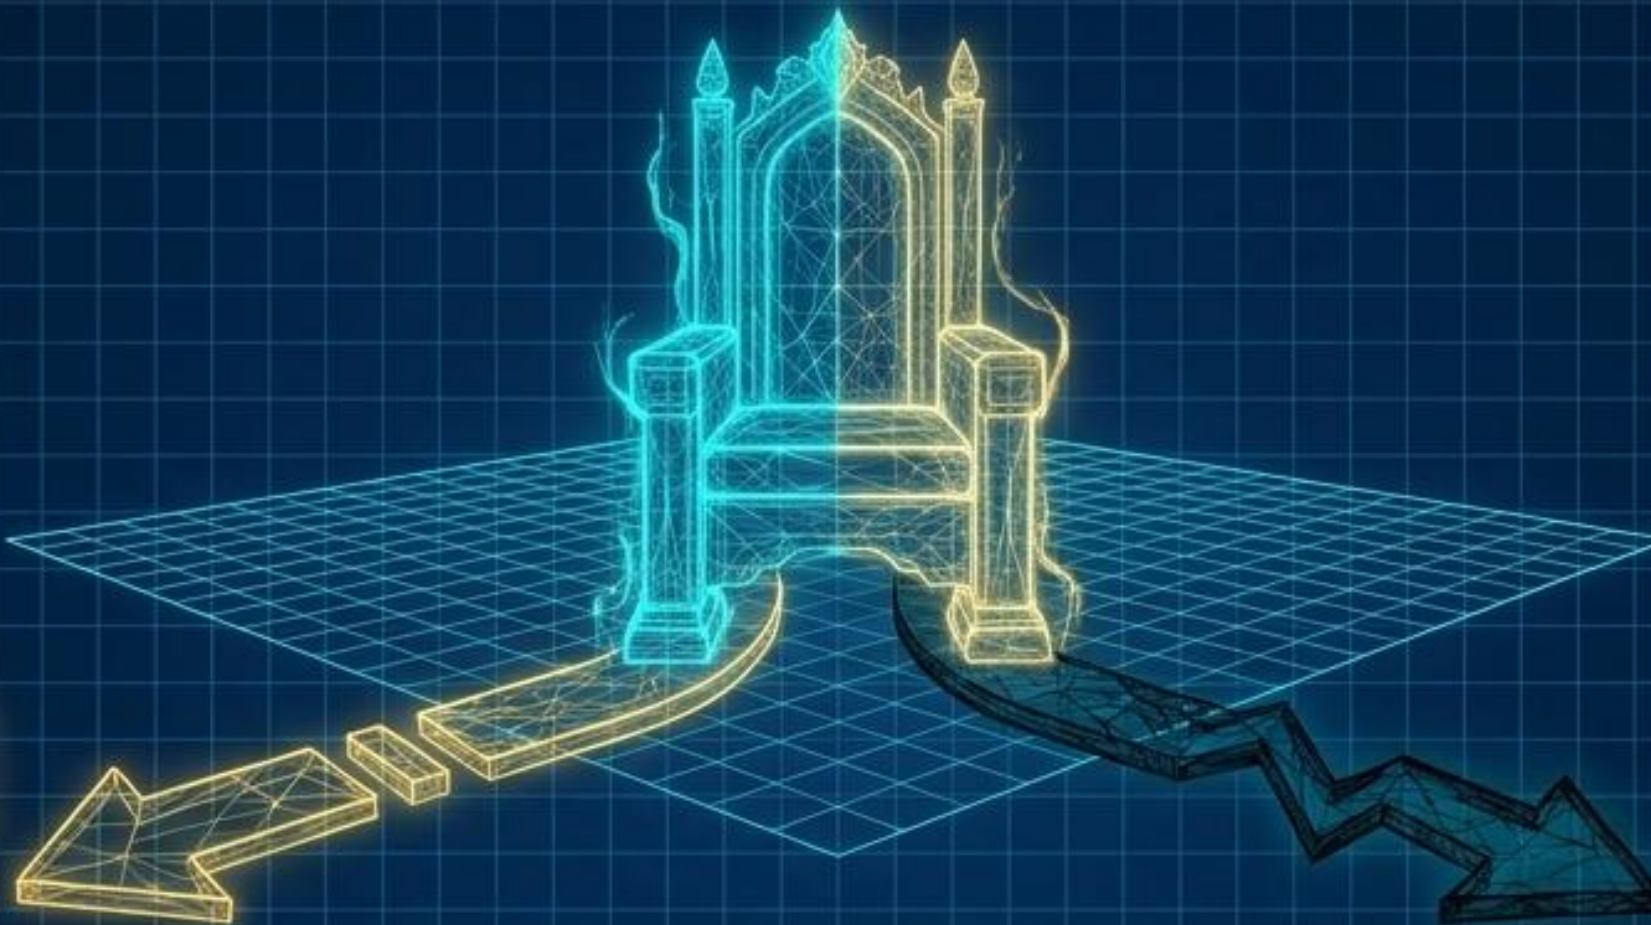

Armageddon: The immediate, definitive defeat of the Antichrist's gathered armies using the "Sword of His Mouth," ending the Tribulation.

Zechariah 14:4; Revelation 19:11-16

The Sheep and The Goats: Judgment of the Nations

Sheep Nations:
Permitted to survive
and transition into the
Millennial era.

The Covenantal Litmus Test

Gentile nations are judged primarily based on their treatment of the Jewish people (God's representatives) during the horrors of the Tribulation. The Son of Man sits on the Throne of His Glory directly on the Earth.

Goat Nations:
Politically and
physically destroyed.

The Millennial Kingdom: The Sabbath of History

The 1,000-Year Rest:
Following 6,000 years of human strife, the Earth enters a literal, geopolitical era of perfect peace.

The Ecological Reset:
The curse of Eden is rolled back. Deserts blossom abundantly, and the predatory nature of the animal kingdom is pacified.

The Eradication of War:
Human diplomacy failed, but Divine government succeeds. Military weapons are globally forged into agricultural tools.

Isaiah 2:4; Isaiah 11:6; Revelation 20:1-6

The Ultimate Blueprint: The New Jerusalem

Flawless Architecture:

A perfectly measurable, geometric city of light descending to Earth.

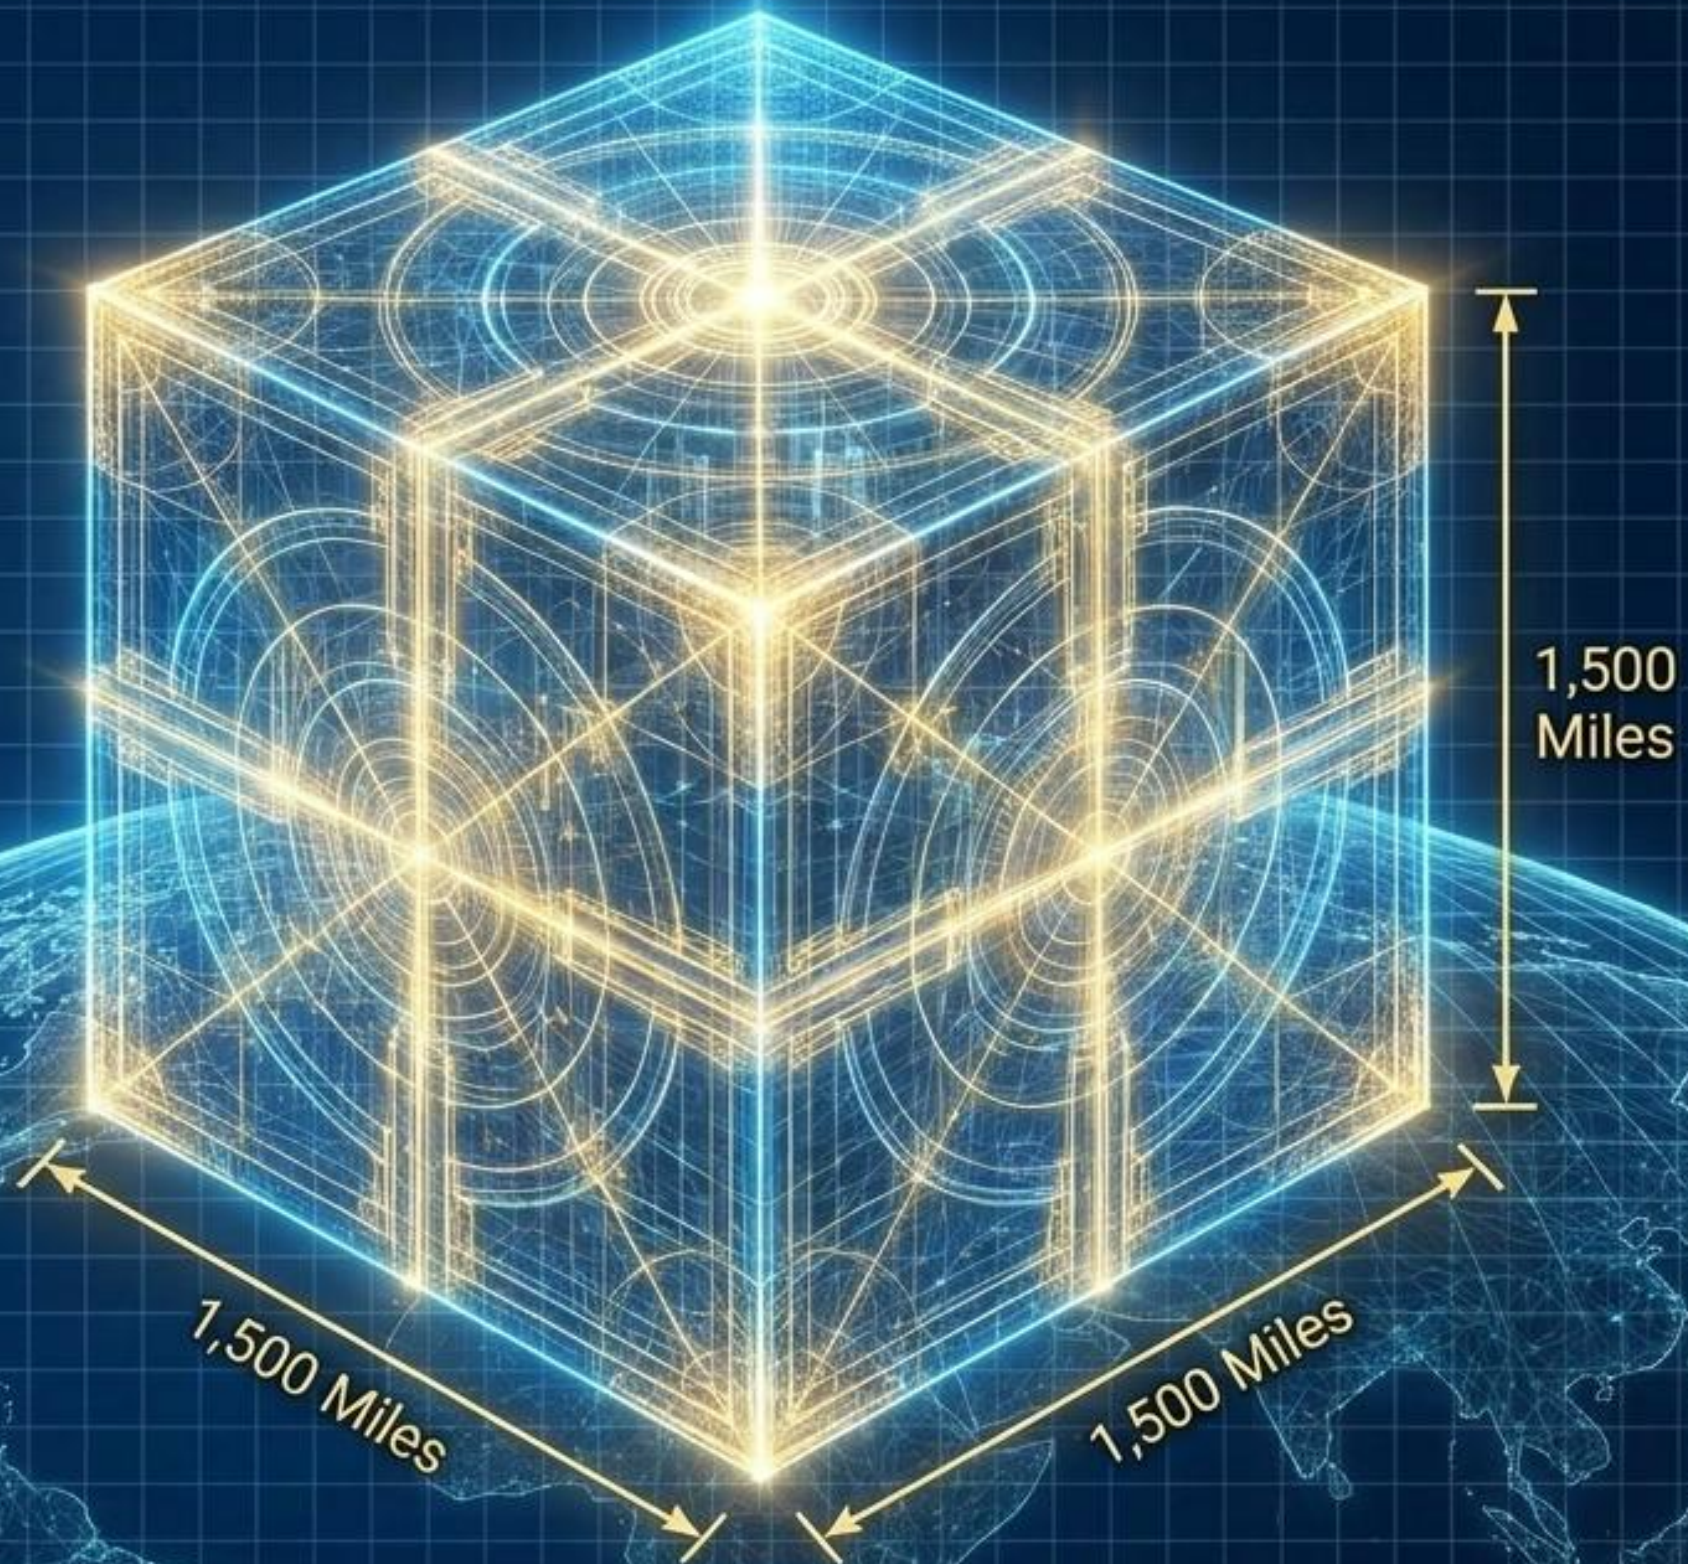

Staggering Scale:

12,000 furlongs (1,500 miles) wide, long, and high—stretching from the Earth's surface straight into the atmosphere.

The Ultimate Promise:

Heaven is not a vague ether; it is a literal, constructed physical reality God dwells with men, and there is no more night, crying, or pain.

Revelation 21:1-4; Revelation 21:16

Key Takeaway: A Purifying Hope

The Age of Grace

Tribulation

"If the Architect of the Universe is this precise with the macro details of human history, the challenges in your personal valley are not accidents."

1. Service Portfolio Audit:

Invest your time in eternal works (Gold/Silver) that will survive the evaluation of the Bema Seat.

2. Patient Endurance:

View today's geopolitical chaos through the lens of a verified, completed architectural blueprint.

3. Active Stewardship:

We are not running out the clock; we are ambassadors tasked with restoring our communities for a coming Kingdom.
