Sermon Title: What is Heaven?

Preacher: Dave Anderson, Lead Pastor

Scripture: Revelation 21:1-27; 22:1-5, 2 Corinthians 5:17-20

If you missed the message, you can go back and watch it [HERE](#).

Questions:

1. What have you pictured Heaven to be like before Pastor Dave's sermon? Where do you think those ideas have come from?
2. How do the ideas of Heaven you have pictured distract you from the Heaven that Pastor Dave described in his message? What elements of Heaven had been missing in your image?
3. Read Revelation 21:1-27 and Revelation 22:1-5. What does this add to your idea of heaven?
4. What is God conveying to us when God says "I am making all things new" in Rev. 21:5? How does your understanding shift when you think about "new" being a remake of what already exists, rather than something new entirely?
5. Read 2 Corinthians 5:17-20. What is this passage saying to us? How does our "being made new" in this life work to usher in Heaven here on earth?
6. Have you ever considered Heaven being something that we had access to now?

Prayer:

- Spend some time asking God to make you new so that you can be a presence of Heaven in this broken world.
