## LOVE IN ACTION

*Romans 12:9–21 | May 17, 2026 | Pastor Savannah White*

### SERMON SUMMARY

In this message, Pastor Savannah dives into Romans 12:9–21 to show us that the love followers of Jesus are called to is not passive or accidental, but active and intentional. Just as Christ moved toward us in love, we are called to move toward others in the same way. This kind of love is not a feeling we wait for but a choice we make, a posture we practice, and a response to the mercy God has already shown us.
