QUESTIONS TO CONSIDER:

1. Is it hard for you to see hope in the world today (apart from Jesus)?
2. Have you ever given thought to how barbaric crucifixion was? Does thinking about crucifixion and its torturous nature give you any new perspectives on the price Jesus paid to redeem people?
3. Which of the 4 points from the message is hardest for you to receive from God?
 - That His plan for you
 - That He wants to do new things in you
 - That He will forgive you
 - That He accepts you
4. Do you need to celebrate Easter more? Do you understand its significance?
5. How has God's redemption changed your life? Give you example.

TAKE ACTION:

Without taking action, your life will not change. Choose at least ONE way to take action in response to the message. Use one or more of the following or find your own way to take action.

- Share your God story with someone who you think might need fresh hope.

- Play some worship music and audibly express your thanks to God for what He's done for you on the cross.
- Choose to stop beating yourself up for past sins. God forgave you. Forgive yourself.
