2 Corinthians 9:6-9

4 Principles of Graceful Giving

1. Our financial gifts are the equivalent of seed sown towards a harvest.
2. Expect to receive the equivalent of what has been sown, and more.
3. Giving is a decision made from the heart (spiritually) versus the mind (analytically).
4. Giving prompts God's grace to be released for His purposes.

Ecclesiastes 11:1-9 - Stay the course of giving. God ALWAYS keeps His promises.

Matthew 6:33 - Our righteousness is **observable** through our **acts** of generosity.

Factor Points

Worship - I am called to worship the One who provides. (**Philippians 4:19**)

Learn - God's promises are to me, my children, and my children's children. (**Psalms 37:25**)

Serve - The Kingdom awaits servants that demonstrate acts of righteousness. (**Revelation 19:7-8**)
