

I'll be a Witness Series/Pivoting the Calling **Part 8: The Mindful Call to Worship**

Bishop Parnell M. Lovelace, Jr., D.Min.
Founding and Senior Pastor

Ephesians 4:17-32 ESV

Three Observations to consider

1. How one thinks is directly linked to our interactions
2. My thoughts are solely my responsibility
3. Whatever changes will occur around me, must first begin within me

Empowerment Keys:

1. I am taking my behavioral cues from Jesus Christ
2. What I do to you, I have already done to myself... I'm going start doing God's best
3. Negativity is evicted from my life and I am closing an agreement today with the One Who has co-signed with me
