What the Universe teaches us:

- God keeps the planets in order. He causes the moon to appear and the sun to appear within a timely fashion. **(Psalm 19:1-6)**
- The universe teaches us faith. **(Genesis 15:5)**
- The universe teaches us the power of the resurrection. **(1 Corinthians 15:40-45)**
- The universe teaches us to give God praise. **(Psalm 113:3)**

The Universe is a type of the Church

1. The Church sets the order in the earth.
2. The Church teaches the life of faith.
3. The Church teaches that the best is yet to come.
4. The Church teaches all how to praise.
