

Securing the Healer in Times of Desperation

Bishop Parnell M. Lovelace, Jr., D.Min.
Founding and Senior Pastor

Mark 5:21-43 ESV

Matthew 8:16-17 (Isaiah 53:4)

Three questions we ask:

1. Is seeking healing worth it, or can you live with it?
2. What do we do when things go from bad to worse?
3. How do we set the environment for healing?

Empowerment Keys

1. My faith is something I do. The miracle is something that God does!
Romans 10:17 and Hebrews 11:1
2. Distinguish yourself within the press!
3. Agree with others while they are receiving their healing. (vs. 35)
4. Cancel the funeral and plan the vacation! Surround yourself/loved ones with people who see what you see.
5. Strengthen yourself back to full capacity. Eat, rest, exercise, hydrate.
