Fatherhood Shapes:

- Identity
- Self-Awareness
- Sense of Protection
- Spiritual Inheritance (Peace)

Protection does not give peace. Peace is our protection.

Challenges of Earthly-father interactions

- Abandonment
- Emotional Disconnection
- Personal imperfections

When I acknowledge my brokenness, I am free to embrace the blessing of fatherhood (being fathered and fathering).

Romans 5:1-5 ESV

That God the Father has made himself God our Father means that he is personally, emotionally, and even sacrificially involved with us. - Ray Ortlund
