

I'll be a Witness Series/Pivoting the Calling
Part 18: Our Witness Through the Power of Bold Prayers
Minister Cindy Cain

Ephesians 6:18-20

Prayer is universal and should be used at ALL times

1. Praying at **ALL** times in the spirit (Romans 8:26)
2. With **ALL** prayer and supplication (Philippians 4:6)
3. Keep alert with **ALL** perseverance
4. Supplication for **ALL** saints

Gen 17:1

Bold prayers help us to:

- Realize the enemy is all bark and no bite
- Knock down doors
- Be settled so that we can hear from God

FactorPoints

Worship: Worship unto God leads me to a place of submitting to God. James 4:7 says that when we submit to God, we can resist the enemy, he will flee. Our worship puts the enemy on the run.

Learn: In prayer the plans of the enemy are revealed. Prayer equips us to remain on the offensive, not defense, in spiritual warfare.

Serve: Intercession on behalf of others who are poor in spirit is how we can serve others. Call on the All-Sufficient One for the needs of others even above our own needs, and watch God do the miraculous in the lives of everyone.
