Characterization of Unity

1. Very different in presentation (nature and action) but unified in purpose.
(Ephesians 4:11)
2. Both are good and pleasant (medicine is good, but not pleasant and sweets are pleasant, but not always good for you).
3. All are anointed (King and Priest) there is no friction, there is an ease.
TOGETHER – together with God.

1 Peter 2:9-10 CSB

God has made us priests and a nation. We are called to be in one accord to **worship and rule (govern domains – regionally, entrepreneurially, economically, business, socially, in various sectors).**

Revelation 1:4-8 NKJV

The Holy Spirit – Isaiah 11:2-3, a description of the ministry of the Holy Spirit - wisdom, understanding, counsel, might, knowledge, godliness, and the fear of the Lord

Factor Points

Worship – Unified Ministry is both pleasant and good! God hangs out there.

Learn – The Holy Spirit instructs us in our role and positioning for a collaborative purpose.

Serve – We serve others through Kingdom placement, positioning, and posture. We are indeed better together.
