Romans 4:1-3 ESV

You cannot go further than your knowledge of the WORD!

Sovereignty – God simply does because He is going to do it (Ministry gifts, spiritual gifts, the Second Coming). Salvation is given by grace (not His Sovereignty).

Romans 4:13-17 ESV

Four Grace Assurances through Our Faith:

1. The peace of God has established our security.
2. Faith in God's promises gives us direct access into the grace of God.
3. Our suffering is producing sustainability, with beneficial outcomes.
4. I am living by faith in the “**much more**” reality!
James 4:6 (God gives more grace generously)

Romans 5:1-11 (The Grace of God AFTER Salvation)
