School of Prayer Week 15 The Prayer of Faith

Bishop Parnell M. Lovelace, Jr., D.Min. Founding and Senior Pastor

James 5:13-20

Why was it necessary for Elijah to pray?

- God has chosen to work through people.
- God's giving is inseparably connected with our asking.
- Only through intercession can the power of the Kingdom be brought into the earth (through the church).

A Divine Observation

- God's existence and character are completely independent of any created thing. Acts 17:24-25
- God already has all resources in His hands. Job 41:11 Psalm 50:10-12
- 3. God has chosen to use our prayers. **Ezekiel 22:30-31**

Intercessory prayer calls for *responsibility*, *partnership*, and *positioning*.
