Psalm 51:10 (AMP)

What Is The Anointing?

The **anointing** is the divine empowerment and sacred assignment God places on your life for a purpose.

Three Key Points:

Point 1: Guarding the Anointing Begins in Prayerful Discernment

Point 2: Prayer Guards You from Leaks

Point 3: You Can Be Gifted and Still Be Guilty

Call to Action:

1. Ask God to show you where your oil is leaking.
2. Ask God for wisdom to say “no” to what feels good and “yes” to what guards your grace.
3. Spend time praying daily—not just to be filled, but to be **sealed**.

Personal Declaration:

- I won't throw my pearls. I will protect my power.
- I won't leak oil. I will stay sealed.
- I won't waste purpose. I will live on mission.
- I will not live in pride.
- I will guard the anointing with prayer, with wisdom, and with grace.
- **I will not compromise the call.**
