Job 25-27 - “Multifactor Authentication”

Briefly share what point(s) from Sunday’s Study spoke most to you?

Ice Breaker: Share as a group different tricks to make an online password secure.

In the study, it was noted that Bildad used Terrible-Tactics in his attempt to gain Job’s attention. Have each in the group share a story of a boss, family member, or others who have used Terrific-Tactics. How did ‘what’ they said make the difference? Did ‘how’ is was said, make a difference and if so, why? Discuss how important it is for Christians to find the balance in kindness and truthfulness. If anyone has a verse for this, have them share.

God is both Creator and Recreator. Our lives depend on Him for both.

Discuss: - Examples of this truth of God in your life recently

- Outcome if the action relied solely upon you!

Let’s take a deeper look at this nature of God through a discussion of the following verses.

Psalms 51:12 & Psalm 85:4

Jeremiah 33:6

Joel 2:25 (a favorite of many Christians)

I Peter 5:10

I John 5:4

Lastly, discuss as a group the H.A.L.T. principle.

Do you have an example where the knowledge of the principle could have spared you some grief? How has any of the (4) elements found a place in your life to reset a decision making process?

Close in Prayer for one another
