Week of Sunday March 22, 2026

I Peter 2:18-24 - “Did I Catch Your Attention?”

The “One Thing”

From Today's Passage: What is the One-Thing you would teach on?
(have each in the group share their one-thing)

Ice Breaker: See if any in the group were on any kind of cheer team
If so, have them share their experience.
What was their team's name? Team Mascot?

What opportunities did you have this week to serve God or others?

Have open discussions about the following:

Why does Peter emphasize respecting "harsh" masters rather than just "good" ones?

In what specific ways can we practically "follow in His steps" when we are insulted?

What does it mean to "entrust yourself to Him who judges justly" instead of seeking revenge?

Read and Discuss how the following verses encourages, challenges, or rebukes your attitude about the command from the Lord to serve.

Matthew 25:40, John 12:26, Romans 12:1

If time permits, discuss why are the majority of Christians hesitant to serve when the need is real. Pray for the strength of those the Lord is calling and have an internal struggle of trusting Him.

Close in Prayer for one another
