THE SUPERNATURAL

A NEW FRIDAY NIGHT SERIES BY PASTOR LUIS R. REYES

When the spirit moves supernaturally, it can move many different ways.

- **Dreams**
- **Visions**
- **Audible Voice of God**
- **Angelic Encounter**
- **Mental Pictures (*Reoccurring*)**
- **Emotional Stirrings (*Joy, Grieving, Shakes, Burden, Heaviness, Faint*)**
- **Sympathetic Pain**
- **Physical Sensation**

The demonstration of the Spirit in power often follows the declaration of God's word. The Spirit moves as we speak the Word of God.

The Nine Gifts of the Spirit

The manifestation of the Spirit are supernatural gifts, not natural gifts or personality traits.

1 Corinthians 12:7-11

There are three recognized categories of the nine gifts. The gifts often operate together.

- 1. Gifts of Revelation- reveal something: word of wisdom, word of knowledge, discerning of spirits.**
- 2. Gifts of Power- do something: the gift of faith, working of miracles, and gifts of healings.**
- 3. Gifts of Inspiration- say something: prophecy, tongues, and interpretation of tongues.**

The Revelation gifts *reveal* something

1. Word of Knowledge: This is information related to the past or present.

The Spirit reveals a word or “fragment” of information related to people, places, or things. It can be given through a vision, angel, dream, or an impression.

It is not called the gift of knowledge- gifted to remember natural knowledge.

The revelation gifts *reveal* something

2. Word of Wisdom: This information is related to the future.

It is not called the gift of wisdom- gifted with natural wisdom.

The revelation gifts *reveal* something

3. Discerning of Spirits: This is insight into the spirit world.

It is to discern or perceive a spirit or the spirit realm, both good and bad.

It is not called the gift of discernment. It is more than psychological insight or pointing out people's faults.

The power gifts do something

1. Working of Miracles: This is a manifestation of the Spirit to work an instantaneous miracle.

This gift works actively.

A miracle is a supernatural intervention in the ordinary course of nature.

Jesus turned water into wine, and fed 5,000.

The power gifts do something

2. Gift of Faith: This is a manifestation of the spirit to passively receive a miracle of protection, direction, provision, etc.

Daniel received a miracle in the lion's den as Paul did in a storm and Elijah did when fed by ravens.

As this gift functions, things come out way outside of purely natural causes. The gift of faith protects us in danger as the working of miracles, chance circumstances causing danger.

The power gifts do something

3. Gift of Healing: This is a manifestation of the spirit that brings healing as a process (whereas miracles are instantaneous).

In the original Greek, both “Gifts” and “Healings” are in the plural.

It is the only gift of the Spirit in the plural.

The inspiration gifts say something

1. Gift of prophecy: This is inspiration to edify, exhort, and comfort people.

This is very different from the office of a prophet who corrects and directs, etc.

The inspiration gifts say something

2. Different kinds of Tongues: There is a difference between the gifts of tongues for the profit of the corporate body and a personal prayer language for personal edification. Not all have gifts of tongues for the body.

1 Corinthians 12:7

1 Corinthians 14:2-5

The inspiration gifts say something

3. Interpretation of Tongues: this can be an interpretation of God's burden or a translation of a language that is unknown to the one interpreting it.

Tongues are to be a sign to unbelievers as seen on the day of Pentecost when 3,000 people were saved.

1 Corinthians 14:22
