

The background features a dark, star-filled sky transitioning from deep blue to green. A bright, glowing nebula or galaxy is visible on the left side. In the center, a simple wooden cross stands on a grassy hill. The overall atmosphere is ethereal and spiritual.

THE SUPERNATURAL

A NEW FRIDAY NIGHT SERIES BY PASTOR LUIS R. REYES

So many people have grown up within the Church, raised:

- **Anti-Charismatic**
- **Anti-Pentecost**
- **Anti-spiritual Gifts**
- **Anti-Supernatural**

All supernatural gifts must flow in and through the human vessels. They've been given to human beings.

The Supernatural Gifts are given to us for:

- Signs
- Wonders
- Miracles
- Edification
- Exhortation
- Correction
- To Reveal
- To Minister
- To Save

#1 - The Supernatural Gifts have been neglected.

- Neglected- careless, made light of, having no regard for.

#2- The Supernatural Gifts of the Spirit are not permitted.

They are publicly discouraged:

- Don't prophecy
- Don't lift your hands
- Don't lay hands
- Don't pray in tongues
- Don't believe for miracles
- The leadership in Churches just “shut it down”

#3- People are skeptical or don't believe in the supernatural gifts.

- We don't believe
- We don't expect
- We don't receive

**#4- People don't believe, due of a lack
of teaching**

**We need the Word,
But we need the Spirit.
We need the Teaching,
But we need the Power.
We need some Preaching,
But we need the Supernatural.**

We need good teaching, but remember this:

The Word with no Spirit = we blow up

The Spirit with no Word = We dry up

The Word and Spirit = We grow up
