

Eternal Rewards Eternal Judgments

Most people want to live a life that counts.

So many things in life can be restored, but time can never be recovered.

Somethings money can't buy; time can't be bought.

Once the sun goes down, the day is forever gone.

If you love life don't waste time, for time is what life is made of.

Eternity is everything, there's no end to it.

God is not limited by power, knowledge, wisdom, understanding, or time. He is forever.

He is self-existent.

God is eternal, we must think eternal. Live beyond this life.

We are eternal beings, there's no ending to our life.

There is a judgement day. That day will not bring new revelation of truth, rather it will measure all things by what has already been written and spoken by God.

God's word will judge us. It's eternal, it's final. There are no exceptions alterations, or revisions.
