

Faith

A NEW SUNDAY MORNING SERIES FROM PASTOR LUIS R. REYES

**Faith is not automatic with salvation,
you must be instructed on faith.**

Definition of Faith

Faith is a biblical law and principle. It taps into the creative power of God made available to and through man. It transforms conditions, circumstances and situations in the natural realm and brings over that which is in the spirit realm, what you are believing for. Faith is a force, power and a substance.

Man is a triune or tripartite creature created by God. We are made up of 3 parts spirit, soul, and body. We can contact all 3 worlds.

1. With our bodies we can contact the three-dimensional world around us. We can touch, feel, see, hear, and taste.

**2. With our soul (mind, will and emotions),
we are able to contact the intellectual
realm. We think, feel, process, and create.**

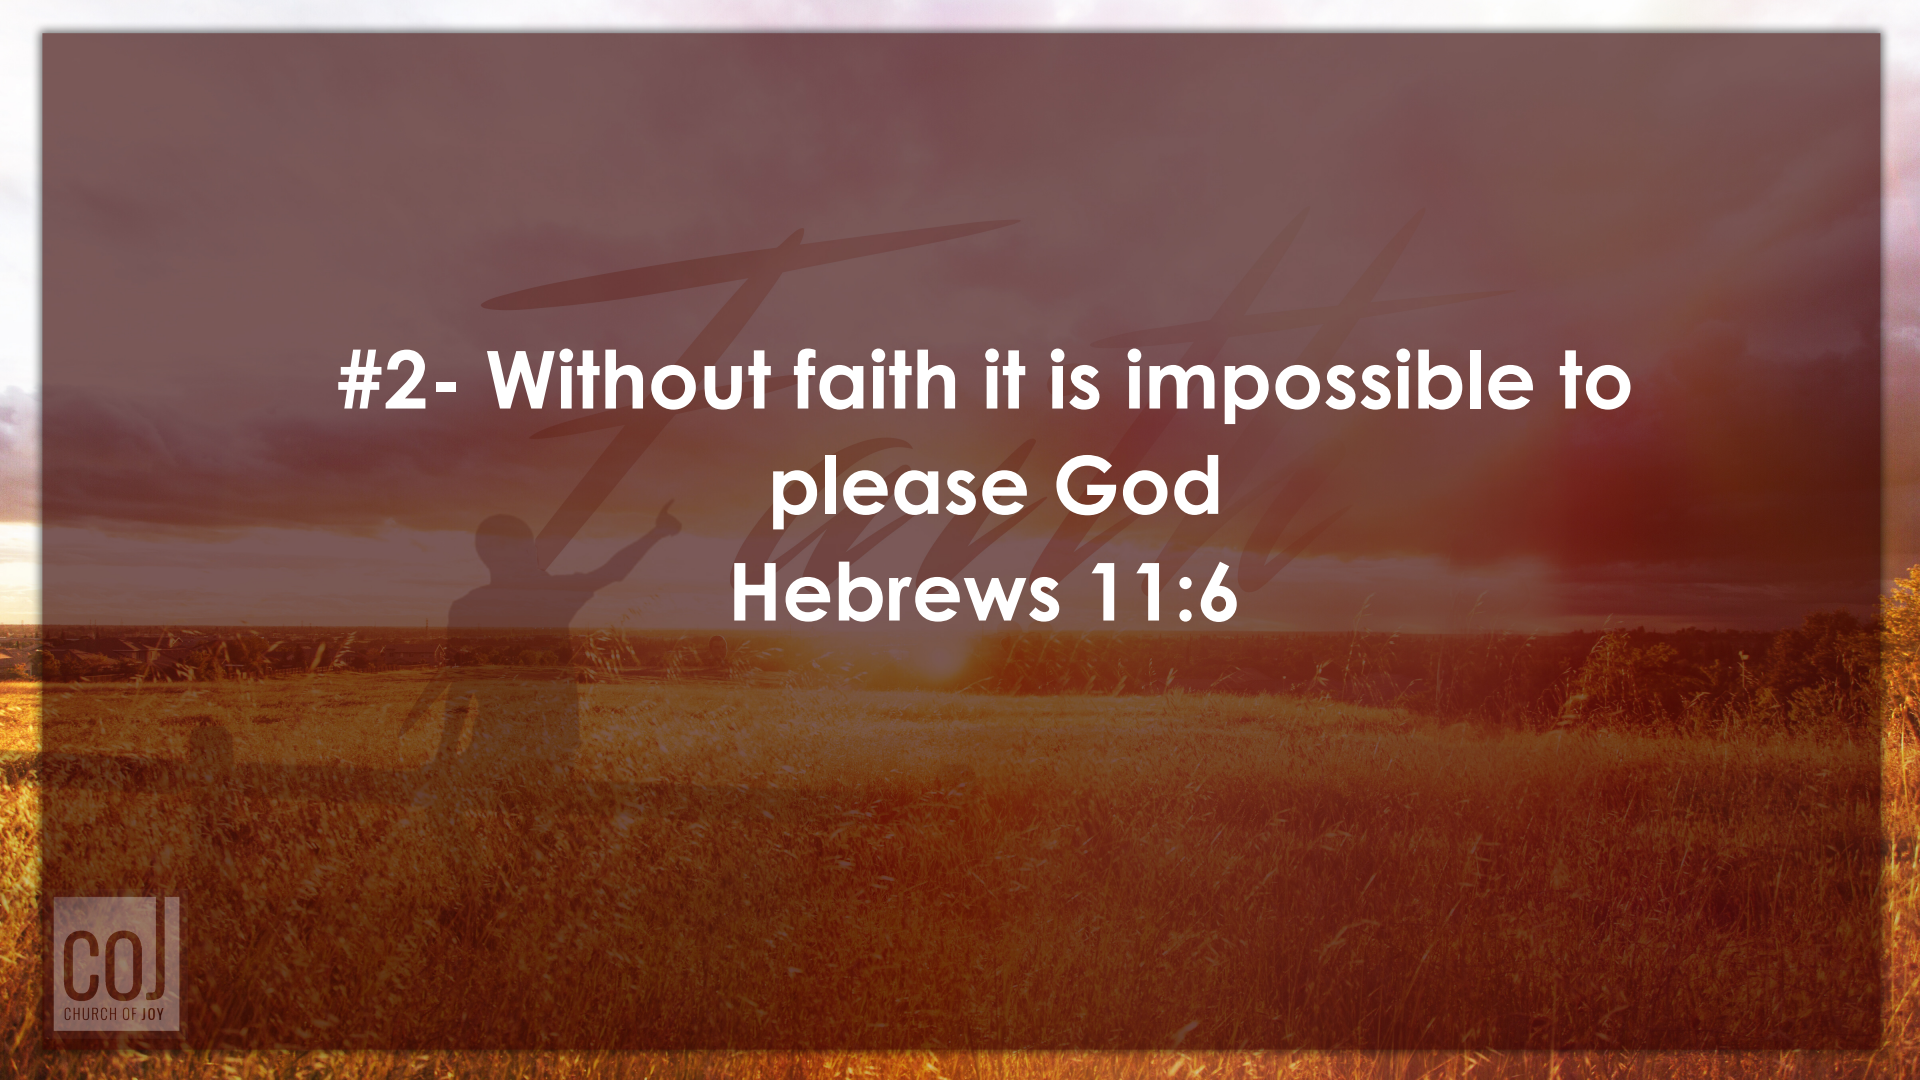

3. With our spirit we contact the spirit world, the world of the invisible. This world we are able, by faith, to bring over that which can't be seen in reality (to see).
