

COJ GOD BLESS

AMERICA,
AMERICA BLESS GOD

We will learn about the One and
Only True God

We serve the God of Abraham,
Isaac and Jacob

Our God demands exclusivity.

- **No one is before Him**
- **He will not be shared with any other gods.**

We Worship;

- Materialism
- Money
- Cars
- Entertainment
- House
- Sports

Over indulgence of food, alcohol,
drugs, sex, media

Our pride, ego, careers, jobs, etc

Pagans, New Age, Eastern Mysticism

Secular humanism, *“you are god, because of your intelligence, education, degrees, or how smart you are”*.

Jesus the Christ is being taken
out of everything;

- Schools
- Jobs
- Military
- Politics

But, now the Church

- Sermons
- Music
- Conversations (don't mention Jesus)
- Praise and Worship

When preachers endorse;

- Same sex marriage
- Abortion
- Anti-Israel
- Deny the Word of God
- Gospel of inclusion

We are not saved by;

- Mary
- Allah
- Buddha
- Mother Earth

We have one God, our Father
and One Savior- Jesus.

Christianity and Islam are not sister religions and we don't serve the Same God

Islam teaches
“Allah can’t be known”

Christianity teaches
“We can know our God”
Ephesians 1:17

Islam Teaches
“Jesus is not the Son of God”

Christianity teaches
“Jesus is the Son of God”
John 3:16

Jesus is the Savior

- Healer
- Deliverer
- King
- Judge
