Rehoboth- room for all

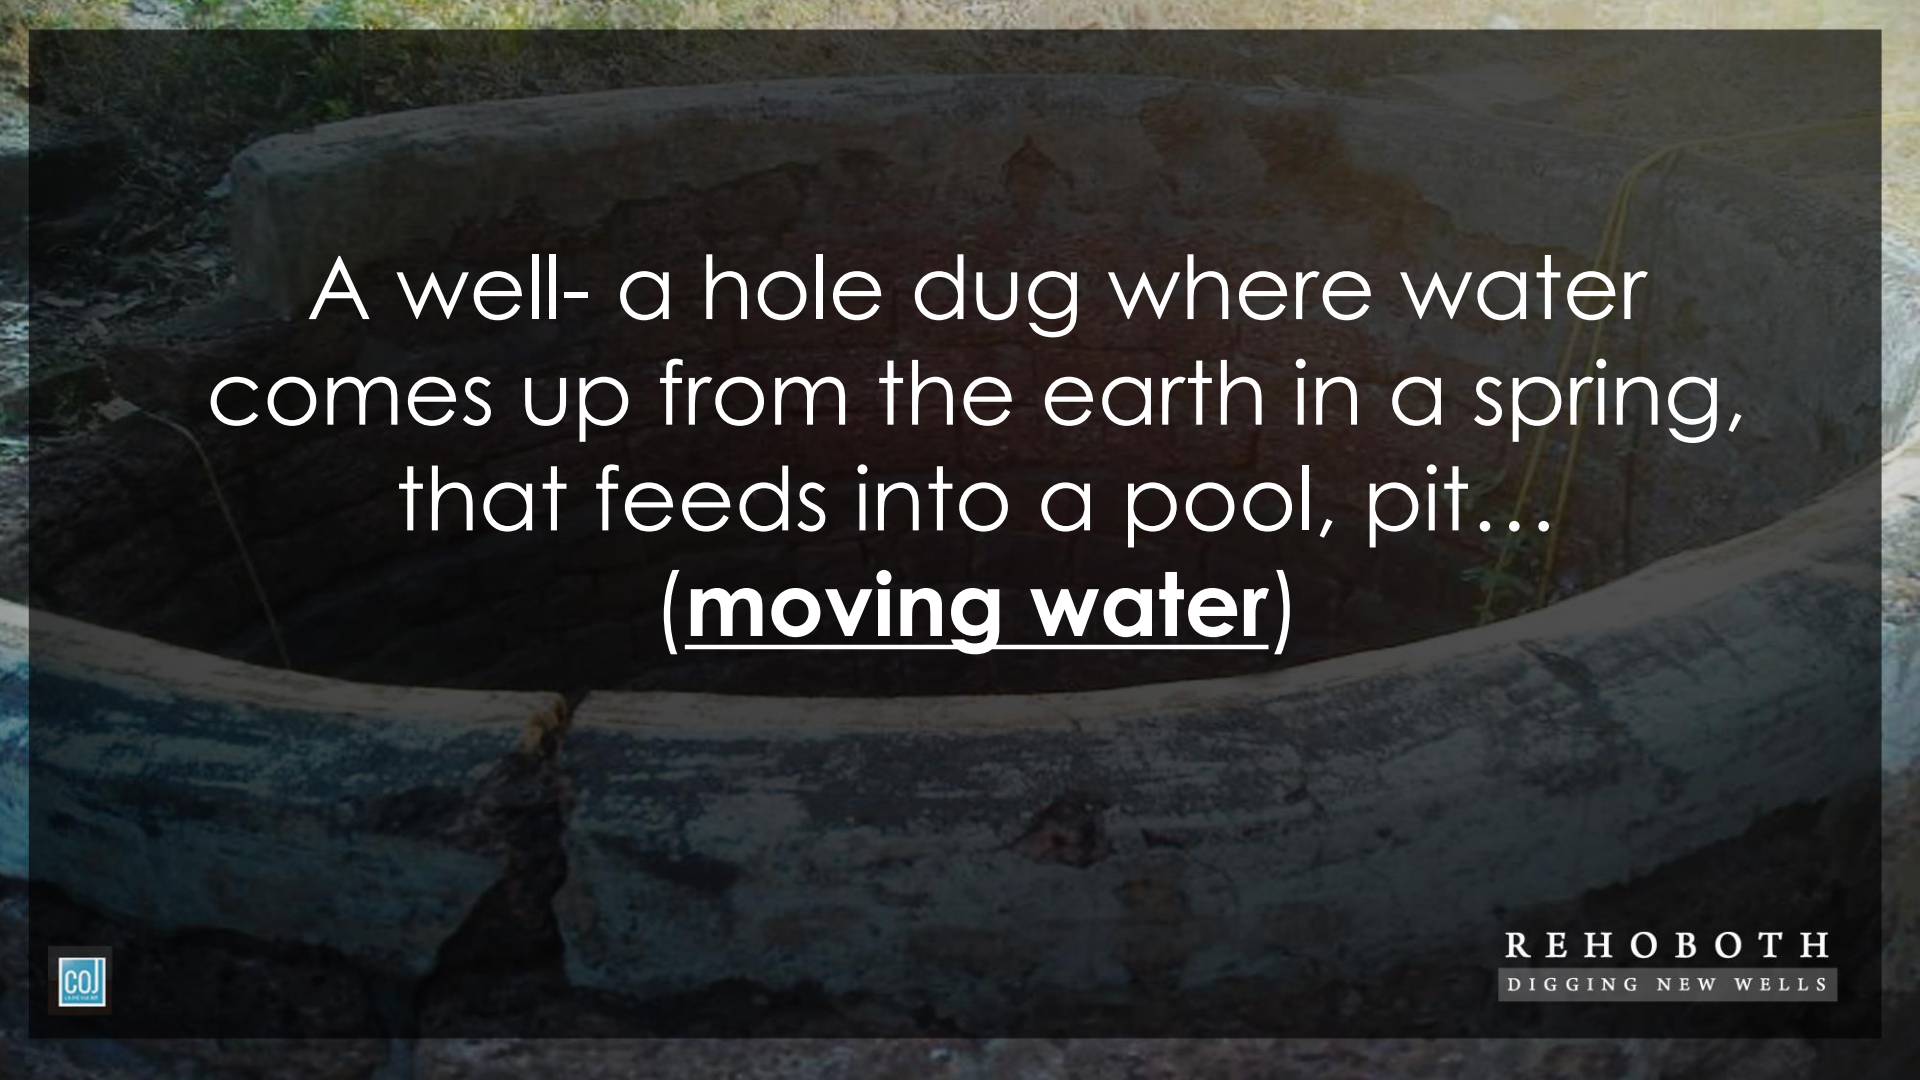

REHOBOTH
DIGGING NEW WELLS

Revival wells are transferable

What God is and has done here,
He's willing to also bless others in this
nation and across the world.

Revival wells will birth

- Bible schools, Churches, outreaches
- It empowers people and the youth - the up and coming generation

A well- a hole dug where water
comes up from the earth in a spring,
that feeds into a pool, pit...
(moving water)

A cistern- a storage tank, an artificial reservoir... (stagnant water)
