

PREPARING TO MAKE A

**NATIONAL
IMPACT**

2018 & BEYOND

We should seek truth-
When we refuse truth we show that we
value the opinions of man and place no
value on truth.

**Truth isn't something we invent
only something we discover.**

God reveals truth to us from His word.

**All truth is rooted in the eternal,
all-powerful and unchanging God.**

**Truth is not just something we act upon...
it actually acts upon us.**

**We can't change the truth,
The truth changes us.**

Truth is the bedrock of all human relationships involving an integrity of thoughts, speech and actions.

**Truth is reality,
to know truth is to see accurately.**

Jesus is the truth and if we get anything wrong about Christ; it won't matter what else we get right.

**Jesus Christ is the Living Word of God,
inseparable from the truth.**

- **He's the source of all truth.**
- **He's the embodiment of all truth.**
- **He is the reference point of all truth.**

**The kingdom of God isn't a democracy.
God does not consult us to determine
right and wrong.**

Culture appeals to what is now...
God appeals to His intentions,
His principles and what ought to be.

**Truth must never be deserted,
even to the sacrifice of our lives.**
