

**Legacy- To leave an inheritance,
a birthright, a heritage.**

**Legacy is not leaving something for
people, It's leaving something in
people...**

**What we do for ourselves dies with us,
what we do for others remains
forever.**

**Legacy is living a life that will
last in others.**

**Family legacy is not what you
leave to your children, it's what you
leave *in* your children.**

**Your life is not about making an
income but a matter of making an
impact.**

**Our fingerprints don't fade from
the lives we touched.**

**The family is the most
essential and the most noble
of all human institutions...**

**When families are weak and
torn apart, the foundation of
society shakes and
crumbles apart.**

**Nothing can replace the
family designed by God...
not government, not schools,
nothing....**

To have a good and godly family, it has nothing to do with luck or fate, but rather obedience and submission to God and His eternal principles and truths...

God's Ideal Design of Family

- **A Man, his wife, their children**
- **Committed, durable, fidelity**
- **A man, his wife, one flesh, heterosexual, complementarity.**

God Must Be First

- **Matthew 22:36-38- Love God first**
- **Matthew 6:33- Seek first**
- **All THINGS refer to... comfort, wealth, position, promotion, security, prosperity, success, etc....**

#1 - Priorities demonstrate our value systems as well as the value systems we will pass to our children.

Truth: our priorities become our values

- The person who gives priority to God values God.
- The person who gives something else priority above God, values something else more than God...It's that simple.

- **The same holds true for family, wife, and children.**
- **The person who gives priority and value to family, wife, and children, values the family.**
