

PREPARING TO MAKE A

**NATIONAL
IMPACT**

2018 & BEYOND

**A key sign to the end of the age is
the issue of deception, wide spread
deception.**

What kind of deception?

- **Political deception (Corruption)**
- **Corporate deception (Greed)**
- **Gender deception (Homosexuality)**
- **Family deception (Same-sex Marriage)**
- **Individual deception (Humanism)**
- **Spiritual deception (Church, lacking truth)**

The Church must be lovers of the truth.

The conflict or battle for truth will be centered around Jesus.

Truth will center around Jesus, about who He is and how much we love Him.

We will have to love Jesus according to His standards. We must be loyal, we must express our love through our love for the truth.

#1. The deity of Jesus and His right to establish absolute truth and standards. Jesus is not and will not be tolerant of everyone's view of what is righteous and loving.

**#2. The establishment of salvation that
He is the only way.
John 14:6- “ I am the way...”**

#3. His right to judge you on your sin.

2 Corinthians 6:9-10

Verse 11- “you were” (Repent)

**Do you have a biblically informed opinion
about the times we live in or the second
coming of Jesus Christ?**

**Do you know the truth
and the times we are in?**
