A NEW SUNDAY MORNING SERIES FROM PASTOR LUIS R. REYES

A person is seen from behind, sowing seeds into a field of tall grass. The scene is set at sunset, with a warm, golden light illuminating the landscape. The sky is a mix of orange and dark blue, and the horizon is visible in the distance. The overall mood is peaceful and hopeful.

**Our giving is not a debt, we owe,  
but a seed we sow.  
And it's on that seed that our  
needs are met.**

Our receiving is based on our giving  
Our reaping is based on our sowing  
Our harvest is based on our seed

If we are going to look at God as our source of receiving provision for our lives, we must change the order of priority for God within our lives.

A person stands in a field of tall grass, looking towards a sunset. The scene is overlaid with a large, semi-transparent watermark that reads 'TOGETHER' in a stylized, handwritten font. The overall color palette is warm, dominated by oranges, yellows, and browns.

**Most High means to elevate  
something above everything else.**

# Proper order of Giving

1. Tithe & Offerings, vows, pledges, alms giving, etc.
2. Then we have bills, credit, mortgages, etc.
3. Then we have wants, needs, desires, etc.

**Most people function out of order,  
based on compulsion, not principal.**

**Neglecting to place God in the Most  
High position, to elevate Him over all,  
we give Him our leftovers,  
not what is first.**
