

GOOD DISCIPLINE

Hebrews 12:5-11

FOOD FOR THOUGHT

Discipline means “to disciple”; a disciple is a student, not a recipient of behavioral consequences. What has been your concept of “discipline” up until now?

How did your parents approach discipline in your home? What would you say that the goal and/or message of their parenting strategies was?

How much emphasis do you place on the importance of your role in the process of developing a strong connection with your child first?

In what areas of your parenting do you feel unprepared or lacking an adequate plan?

What are some specific ways you can become more proactive, intentional, or prepared in terms of parenting your child and setting them up to succeed?
