***Remember: you do not have to do the entire study (you may not have time) – you can choose what questions you want to discuss.***

## Read Romans 6

1. What is sin? Why do we need to take it seriously?
2. What is society's view of sin? Why is this?
3. Is it ok for us to keep sinning? Why/why not? How do we reconcile this with the fact that we do sin?
4. Why has Paul talked first of grace (chapter 5) and then of sin?
5. What has been achieved through grace?
6. What does being dead to sin mean? How does this impact how we should live? How do we not let sin reign in our lives?
7. Read John 3:16-21. What does this passage say about sin? How does it relate to what Paul says in Romans 6?
8. What do we lose from this passage if we only ever take verse 16 in isolation?
9. Read Psalm 32:1-5. What does the psalmist do/say in this psalm? What is God's response?
10. Paul's use of the word 'let' in verse 12 suggests what about our part in living free from sin?
