Remember: you do not have to do the entire study (you may not have time) – you can choose what questions you want to discuss.

Read Hebrews 13:20-25

1. What have you learnt from our series on Hebrews this year about following God and about persevering?
2. What has surprised you during this series? How have you been challenged? Comforted? Encouraged?
3. What promises does God make in this benediction? How have you experienced these promises in your life?
4. What vision has God placed before you? What has he invited you to work for and towards?
5. What is the benefit of such a vision being unattainable and untameable? What is the relationship between the journey and the destination?
6. If you were to imagine what a truly redemptive community looked like, what would you see? Why this definition?
7. How does God equip us? How has God been equipping you lately?
8. For what role/task is God in the process of equipping you for? What is required from you in order for this to happen?
9. Why does the author highlight prayer at the end? In what ways is this important for what the author has been saying throughout the letter? Throughout this final chapter?
10. What will you be taking with you from the book Hebrews as you move forward into God's vision for our future?
