

What is Grace for Each Other?

3.3.24

Jo Robertson

Remember: you do not have to do the entire study (you may not have time) – you can choose what questions you want to discuss.

Read Galatians 5:13-6:10

1. What causes conflict in society, in our neighbourhoods, in our church communities? What are main drivers of conflict?
2. What issues are facing the Christian church at the moment?
3. What characteristics does Paul hold up as those that will mark out those who follow Jesus?
4. How does the Spirit form us individually? How does the Spirit also form us together as a community?
5. How does the fruit of the Spirit help us grow together? Why do we need each other for the fruit to grow?
6. How do we become a community that is formed by grace and love? What does this practically look like?
7. How do we genuinely listen to each other? What do we learn when we listen to each other? What does a good listener do?
8. How have you learned from others in your life? What does it take to learn? What are the characteristics of a good learner?
9. What do we do when we cannot get along with each other? What does unity look like when we disagree?
10. Why is it important that we learn to live with our disagreements?
11. Read chapter 6 verse 1. How do we restore each other gently? How do we show grace to each other?

Prayer points:

- Spend time praying for the situation in Israel/Palestine and the people affected by the conflict.
- Pray for the recently arrived family from Afghanistan, particularly for a more permanent place to live.
