

The Greatest Story Ever Told

Remember you do not have to answer all the questions – time constraints might mean you can choose which ones to do.

Read Acts 17:16-34

1. What does Paul chastise the Athenians for? Why?
2. What does Paul commend them for? Why do you think he does this?
3. How does Paul define God? Why do you think he chooses this definition?
4. Today, in what ways do we “cover all options” like the Athenians did?
5. What Idols would Paul see if he walked around Christchurch today? Where do we/our society “worship”?
6. Where does Paul say God is seen most clearly?
7. Where does Paul say the Athenians can see God?
8. What promises does Paul make to the Athenians about God and his actions?
9. How would you sum up in a few sentences the story of creation and history, the “greatest story ever told”?
10. Did your answer to question 9 include reference to/examples of all four of our key relationships (God, Self, Each Other, World)? If so, in what way? If not, what could you change in order to include them?
11. Spend time sharing ways in which “The ‘E’ Word” series has inspired you, changed you, or altered your perspective on evangelism.

Prayer points:

Pray for continued opportunities to share Jesus with others.

Pick three places/issues in the world and spend time praying for them.
