***Remember: you do not have to do the entire study (you may not have time) – you can choose what questions you want to discuss.***

## Read Hebrews 10

1. What is the significance of Christ sitting down at the right hand of God after his sacrifice?
2. What is he waiting for? Why is he waiting? Why does he not subject all enemies to himself now? What does he want to accomplish first?
3. What does the phrase “perfected for all time those who are sanctified” mean?
4. How can we better allow God’s law to be on our minds and heart? Is there anything we can do to make this process easier?
5. Can God literally forget our sins? What is required for this to happen?
6. What does it mean that we can enter the holy place? What does this change for us?
7. How can we better hold fast our hope without wavering? What is the reason given in this passage for why we should do this?
8. How do we make sure our ‘body language’ matches what we believe?
9. Do you spend time considering how to help other believers grow? What can you do to help them?
10. What is the danger if we do not meet with each other? What are the benefits of meeting with each other?
11. How is our meeting together important for what God wants to do in his world?
12. What does this verse say we should be doing when we meet?
