SPOTLIGHT // SERVE: CHATTANOOGA

The Middle School Ministry at Signal Pres recently wrapped up Serve: Chattanooga, our summer mission trip focused on serving right here in our local community. Throughout the week, students partnered with four ministries: Widow's Harvest, Hope for the Inner City, Project 52, and Southside Youth Development. Together, they met practical needs and shared Christ's love by building a deck, installing foul poles at a local baseball field, and helping clean up properties throughout the city that were out of code.

Each evening, students gathered with speaker Aaron Anand to walk through the life of Jesus and explore what it means to love God, love our neighbors, and love even those who are difficult to love. It was an incredible week of service, discipleship, and fun as students worked hard, grew in their faith, and built lasting friendships.

Be sure to check out our photo recap linked in the Weekly Update, and **join us for our Remember Celebration on June 28** at 12:30pm in the Warehouse. You will hear stories from the week and learn more about the amazing things God did on the trip!

GLOBAL MISSIONARY SPOTLIGHT

For His Children Ecuador

For His Children (FHC) believes every child is created in the image of God and deeply loved by Him. Out of that truth, the ministry provides personalized care and compassionate love to children who have been abandoned, abused, or neglected. Their heart is to advocate for each child's best interest while sharing the hope of Jesus, so that every child may grow up safe, secure, and known within a family.

FHC is a Christ-centered ministry serving vulnerable children in Ecuador through residential care. Children come into FHC's care through child protective services and remain until they can be reunited with their birth family or placed in an adoptive home. In the meantime, FHC provides a family-like environment for children with both normal and special needs, ranging from newborns to young adults, across two care homes in Quito and Latacunga. Around-the-clock holistic care is provided by loving, well-trained caregivers and staff who support each child through therapy, medical care, education, spiritual formation, emotional support, and consistent, tender care. Below is a note from For His Children:

"In 2025, we were blessed by meaningful connection with Signal Pres, including a visit from the Francescon family, who served with us for a week, as well as a visit from John and Allyson Kinard. These visits have been a deep encouragement to our staff and a tangible reminder of how strongly your church family cares for the children we serve.

We are deeply grateful for our long-standing partnership with Signal Mountain Presbyterian Church. Your faithful support continues to have a meaningful impact on the lives of the children and families we serve in Ecuador. We thank God for your generosity and for your commitment to walking alongside For His Children in this ministry."
